SPECIFICATION SHEET

House Wash Concentrate

Product:16171

2/2016

DESCRIPTION:

Daly's **House Wash Concentrate** is formulated for use on all painted, stained, unfinished and weathered wood surfaces. When mixed according to instructions **Daly's House Wash Concentrate** will remove mildew, mold, algae, and dirt. Daly's **Deck and House Cleaner** is recommended for use when it is desired to both clean the surface and remove chalky deteriorated stain.

RECOMMENDED USES:

For use on exterior wood decks, siding, fences, railings, steps and coated surfaces including aluminum, plastic and vinyl.

RECOMMENDED SYSTEMS:

1. SHAKE WELL. In a plastic 5-gallon pail mix 3-quart household bleach with 4-gallons warm water. Then add 1-quart **House Wash Concentrate**. Do not mix more than will be used in 3-hours. Maintain mixing ratio above when mixing less than 5-gallons. 5 gallons of mix will cover approximately 800-1000 sq. ft.
2. Apply liberally, using a synthetic bristle brush or pump-type sprayer. Do not apply in direct sunlight or to hot surfaces.
3. Let sit 10-15 minutes. Stubborn areas may require scrubbing with a stiff fiber brush. If surface begins to dry, lightly mist with water.
4. Rinse surface thoroughly with water using a garden hose with nozzle at maximum pressure, or pressure washer. Repeat procedure if necessary.

Important: Allow cleaned surfaces to dry completely before staining or painting.

CLEAN UP: Rinse equipment and over-spray areas thoroughly with water. Rinse container, do not reuse.

COVERAGE: 5 gallons of mix will cover approximately 800-1000 sq. ft.

WEIGHT PER GALLON: 8.8 lbx

FLASH: Non-flammable

V.O.C.: None

CONDITIONS TO AVOID: Do not mix or store in metal or glass container.

CAUTIONS:

DANGER - CORROSIVE

CONTAINS SODIUM METASILICATE

KEEP OUT OF REACH OF CHILDREN.

Avoid prolonged contact with skin, eyes and mucous membranes. Wear rubber gloves and splash glasses during application. Wash thoroughly after handling. Close container after each use. Harmful or fatal if swallowed. Use with adequate ventilation. Do not take internally. Wear proper protective equipment such as goggles, plastic or rubber gloves. Close container after each use. **NEVER MIX WITH OTHER CHEMICALS, CLEANERS OR DETERGENTS.** Mixture may release harmful gases.

FIRST AID: If swallowed, call physician immediately. **DO NOT INDUCE VOMITING.** Give water or milk to drink. In case of eye contact, flush immediately with plenty of water; for skin, wash thoroughly with soap and water. If irritation persists see a physician.

When applying and rinsing cleaner, surfaces such as ladders, scaffolding and walking areas may become slippery. Rinse thoroughly to remove from such surfaces.

SPECIAL INSTRUCTIONS:

DO NOT FREEZE. However, if product is frozen, allow to thaw at room temperature, do not force thaw.

Protect shrubs, wet with water, cover with plastic. Wet down windows and decorative metals with hose before applying cleaner. Avoid getting cleaner on these surfaces. If cleaner comes in contact with glass or decorative metal, promptly rinse thoroughly. Rinse shrubbery and any other exposed surface well with hose, when job is done. For removing discoloration, rust, stains, and making weathered wood look new, use **Daly's Wood Brightener.**
